

## Curriculum Vitae 2019

Place/date of birth Alba (CN), Italy

ORCID ID: [orcid.org/0000-0002-5321-7794](https://orcid.org/0000-0002-5321-7794)

### Current / past positions

2019-today **Associate Professor**, Dept of Molecular Biotechnology and Health Sciences, Univ of Turin

2011-2019 **Assistant Professor**, Dept of Molecular Biotechnology and Health Sciences, Univ of Turin

2010-2011 **Post-Doctoral Research Scientist**, Campbell Family Institute for Breast Cancer Research, University Health Network, Toronto (ON, Canada)

2007-2010 **Post-Doctoral Research Scientist**, Dept of Medicine and Experimental Oncology, University of Turin

2001-2006 **Post-Doctoral Research Scientist**, Dept of Clinical and Biological Sciences, University of Turin

### Education

1997-2001 **Ph.D.** in Immunology, University of Turin, Italy

1991-1996 **Degree** in Biological Sciences, 110/110 *cum laude*, University of Turin, Italy

### Awards

2010-2011 Post-doctoral fellow, University Health Network, lab of Prof Tak Mak Toronto (Canada)

2007-2009 FIRC-Fellowship.

2004 "Honorary fellow of Immunology".

1999 European Cytokine Society Student Award.

### Visiting

2010-2011 I spent 16 months in University Health Network, lab of Prof Tak Mak Toronto (Canada) at the Campbell Family Institute for Breast cancer Research as post-doctoral scientist research working on the kinome and its implication in breast cancer metastatization.

I went back in the University Health Network, lab of Prof Tak Mak Toronto (Canada) for one month in both August 2016 and July 2018, as visiting professor to perform and discuss experimental results

### Research Performance

- **Research funding:** Six projects presented as principal Investigator have been funded.
- **Publications: 70 publications** in refereed international journals with over 2000 citations, numerous publications in refereed conference proceedings, over 18 oral presentations at national and international meetings and conferences, and four national and international patents.
- I have been invited to give a talk at the MRC Human Immunology Unit, Weatherall Inst of Molecular Medicine, Oxford on **Sept. 03, 2009**. In that occasion we started to collaborate with the Dr. Salio's group. I gave **seminars** for the Medical School students at the University of Turin, every year from **2000 to 2010**. I have been invited to give a talk in the Cancer Workshop organized by the Doctoral School of Molecular Medicine and The Italian Society of Cancerology, **June 27, 2014**; at the UHN, Campbell Family Inst for Cancer Research, Toronto, on **Aug 28, 2015**. I have been invited to give a talk in Verona at the Cam-Pac meeting on **October 10th, 2018** and one at the ICAP 2019 Conference in London on **September 2019**.
- **Career supervision and Teaching:** I actively collaborated in analyzing results and writing of the thesis of 16 master graduate students (15 Biotech, 1 Lab Technician). Currently I'm supervising 2 Biotech students during the master degree, 3 Biotech students 1<sup>st</sup> level and 1 Res. Technician for mouse breeding. Teaching of "Immunology" in the Nursing Sciences School, University of Torino, on 2000-2001 in Aosta and from 2001 to 2010 in Torino; teaching of "Cellular Immunotherapy" in the Interfaculty School for the Biotechnologies, University of Turin (AA 2011-2012); Teaching of "Pathology" (from 2012 till today) and of "Immunology" in the School for Biotechnology (from 2016 till today) and in the School of Medicine (from 2018-till today), University of Turin.
- **Organization of International Meetings: Cancer-day Workshop** (June 7<sup>th</sup>, 2012); **Hosting** the Comprehensive Flow Cytometry Course by FloCyte Associates, (July 15-17<sup>th</sup>, 2015 and ELispot Workshop by CTL Biotech-Germany (May 8<sup>th</sup>, 2018)
